

MEMORANDUM

Date: July 12, 2006

To: Members, Municipal Finance Officers Association of Ohio

From: Nancy Myers, President, Municipal Finance Officers Association of Ohio

Re: Institution of Membership Fees

It's that time of year again to pay your membership fees. It remains at \$50.00 per city or village.

The membership fee will be used to pay for the costs of the association such as postage, web costs and bringing in speakers for the MFOA Conference.

We would like to get our members more involved in planning conferences so you will find a short survey enclosed to get your ideas on future conferences. You will also find enclosed a membership roster from last year and a list of current officers and board members.

Thank you for your consideration in this matter.
